MMG is led by the County Council which receives a grant from the Department for Education (DfE) administered through Arts Council England (ACE) to fund the work of the Hub around four core and three extension roles. It commissions activity in line with these and with the priorities set out in the National Plan for Music Education.

A group of key partners is responsible for strategy, delivery, communications, and outcomes: these are currently Gloucestershire Music, The Music Works, Gloucestershire Academy of Music Cheltenham Festivals . An advisory group including schools, parents and young people representatives, advises on overall strategy and direction. Find out more here: www.makemusicgloucestershire.org.uk
